

**C I R C U L A R**

It has come to the notice of Administrative Department that Principals of some Government Degree Colleges have not relieved the officials (Non-Gazetted) who are under transfers to different Colleges. Not only this, the Principals have not even taken charges from the transferees till date, which has been viewed seriously by the Department.

Therefore, it is impressed upon all those Principals who have not relieved the transferees and also not taken the charges from them to immediately furnish compliance report to this Department by today positively. Non-compliance may be dealt with action as warranted under CSR/CCA Rules.

The matter is **Most Urgent and Time Bound.**
