CIRCULAR

This has come to the notice that Principals/ lecturers particularly in rural colleges do not remain stationed at their Head Quarters and often leave the station without prior permission of the Administrative Department. The office timings are also not being adhered to in the colleges. It is impressed upon all to remain stationed at the Head Quarters and leave the station only after proper permission.

Further, Principals are also advised to issue circular in their respective institutions to observe office timings. Action shall be taken against all those found absent during the office time.
