**Subject: Complaint received from PMSSS aspiring students 2019-20 against Cyber Café located in the State of J&K.**

The all India council for Technical Education New Delhi has recently conducted 1<sup>st</sup> Round of Online Counseling for PMSSS 2019-20 aspiring students from J&K State who got admission was not as per merit basis and the details are available on AICTE Portal.

In this regard, I am directed to inform that PMSSS Cell AICTE has received a grievance through telephone /mail from the PMSSS aspiring student that the college / course allotted was not as per the option filled during online choice filled by them.

It may noted that the PMSSS Website only allots the choice as per the option filled by the student (s). The aspiring students (s) have informed that by mistake they shared the password and other credentials with the Cyber Cafe located in Jammu. The aforesaid Cyber Café has misused their password / credentials and uploaded their own choices and therefore allotted institution /course as per the choice provided by the Cyber Café and not by the eligible aspiring candidate.

It is informed to all the PMSSS aspiring students of 2019-20 not to share their password/credentials with anybody to avoid any difficulty in joining the institution of their choice.
