

Government of Jammu and Kashmir
Higher Education Department

C I R C U L A R

It has come to the notice of the Government that the lecturers of the Higher Education Department are not cooperating with the University in the matter of evaluation of papers and other examination related duties, which is delaying the declaration of results. This ultimately affects the career of the students who cannot apply in other Colleges/institutions of the country for pursuing higher studies.

The examination related duties have always been treated as part of the academic duties of the teachers. Not only this it is also the Social responsibility of the teachers to ensure adherence to the academic and examinations calendars so that the student community does not suffer.

It is, therefore, enjoined upon all the teachers in the higher education department to extend cooperation to the Universities in timely evaluation of answer sheets so that the results are declared on time.
